## PRAYER REQUESTS

- Danakah remains at Cooks. Her scans show about 95% improvement in several areas.
- McKenzie Roberts (the young girl who had the bleeding in her brain) had surgery this week.
- WD Rowell (JoAnn's Brother in Law) is being checked for colon cancer. He has a history of cancer.
- Melody Emmett (JoAnn's cousin) has been diagnosed with congestive heart failure.
- Continue to remember Pearl. She has now had one chemo treatment and at this time no visitors please.
- Brett Harlin and his wife Lexi. Brett is at JPS following a motor vehicle accident which damaged his spine.
- Pearl's chemo port has been placed and her treatment has begun. She continues to experience pain.
- Richard Chapman has been diagnosed with cancer again and will be starting chemo treatments.
- Gary's daughter Amanda reports that her father in law has cancer and will be starting chemo.
- Melissa Reaves' father had a stroke.
- Robbie is home again, but there are still a lot of problems and no clear cut answer as to which is the best way to proceed with his treatments and possible surgery.

*A list of continued prayers can be found on the table in the foyer.*
